

CSC 2023 Summer Acting Intensive: Pre-Registration

CSC is thrilled you are interested in our 2023 Summer Acting Intensive. Pre-registration is open from Tuesday, April 4 through Friday, May 5 at 11:59 PM. There will be a limited number of places available in the program, and we strongly encourage you to complete pre-registration as soon as possible.

The pre-registration form requires answers from a Parent/Guardian as well as the Participant. Please prepare these materials prior to when you fill out the Google Form to ensure your answers can be saved and submitted with ease and your work is not lost if your internet connection is disrupted.

Form Requirements

- You will be asked to provide contact information for the Participant as well as a Parent/Guardian.
- You will be asked to indicate your interest in Program A, Program B, or both. As a reminder, the program dates are:
 - Program A: June 26 – June 30 (\$625/week)
 - Program A: July 17 – July 21(\$625/week)
 - Program B: July 24 – July 28 (\$625/week)
 - Programs A & B: July 17 – 28 (two-week option, discounted to \$1,200)
- The Participant will then be asked to upload responses to three questions. Their responses can take the form of written short answers or a video response to all three questions.
 - What excites or intrigues you about acting?
 - What are you hoping to learn through your participation in the CSC Summer Acting Intensive?
 - What else would you like us to know about you?

(Please note: CSC Education is equally open to working with first-time actors and seasoned performers. There is no ideal experience level, and there are no wrong answers.)

- The last section of the form invites Participants and/or Parents/Guardians to share any questions or thoughts they have in response to the application form.

After pre-registration closes, we will contact you no later than May 10 with official registration information and a request for payment.
