

# CSC 2023 Summer Acting Intensive: Scholarship Application

We are thrilled you have chosen to pre-register for the 2023 Summer Intensive. To apply for scholarship support, you will be asked to provide answers to the questions below. This application is expected to take between 5 and 10 minutes to complete.

Any information you share will be kept confidential and will be reviewed only to determine eligibility for aid. Classic Stage Company seeks to fill as many scholarship requests as possible, however available funding is limited. Scholarships are granted based on availability of funds, availability of space in the class, and the family's level of genuine need. Scholarship applications are reviewed within 5 days of receipt. If an applicant is deemed eligible for scholarship support, that scholarship is non-refundable and non-transferable.

Some questions ask for information regarding household income, so we recommend this form be filled out by a parent/guardian (or with a parent/guardian present).

## Application Requirements

- You will be asked to indicate your annual household income (available ranges begin at “Under \$20,000” and increase to “\$100,000 and above”).
- You will be asked to indicate the number of dependents in your household.
- You will be asked to share whether or not your family is eligible for your district’s free or reduced-price lunch program.
- You will be asked to share whether or not your family receives government assistance.
- You will be asked to estimate how much you feel you can contribute towards the cost of tuition. (Weekly tuition is \$625.)
- You will be asked to share any additional information you feel is relevant to your child’s consideration for a scholarship to attend the Summer Acting Intensive.

Once we have received your application, we will evaluate your request for scholarship support and reach out with next steps within 5 business days.
